

## HOW TO BECOME A PATRON OF THE ARTS THE RHINOS ARE COMING!!!! (TRAC)

We offer two standard Sponsorship Levels, which were formulated based on other very successful initiatives worldwide; for example, The Cow Parade. If these options do not suit your needs, we will gladly design a sponsorship package that is more aligned to your brand's marketing goals and objectives.

### Level Two – R95,000 ('Adopt a Rhino')

**The Sculpture:** A beautiful Rhino sculpture painted by one of our local artists is offered to your company, in exchange for sponsorship. You will select your own Artist, either from our database, or by choosing a local Artist in Cape Town & surrounds that you support.

**Your Branding on the Sculpture:** Your Rhino will have a plaque on its base displaying your brand's name, logo and mission statement. Your plaque will be displayed alongside a plaque dedicated to the selected Artist.

**Marketing for your brand:** Your brand's logo will be featured on our website, social media platforms and various marketing materials. We will also make mention of your Sponsorship via social media posts and in our press releases.

**Using & Adopting your Rhino:** Once your Rhino has been made and painted, you may use your Rhino for your own PR and marketing campaigns in the run up to the Exhibition in mid-December of 2018. For example, The Radisson Blue Hotel Group use their Rhino for special events and activations by exhibiting their Rhino at their hotels throughout the country.

From December 2018 – March 2019, TRAC will need your Rhino for the Outdoor Art Exhibition, where it will be on display throughout the Mother City for all to see. After the Exhibition, your Rhino will be **yours to own for life!**

**Rhino Exhibitions & Activations:** The media love our Rhinos and due to this, we are often invited to showcase the Rhinos at events, conferences and at high-traffic public spaces. Having your Rhino exhibited at these and other prominent and high foot traffic locations will provide valuable exposure for **your brand**. Below is a list of some of the events and locations of where we have been and where we are going in the near future.

**Media Exposure for your Brand:** Since April 2017, we have received in excess of R2,400,000 in FREE media exposure, which is tracked by one of our partners, PRESSCLIP Media Monitoring. Please click through to the link to view our coverage [TRAC in the Media](#). We are also very proud of our 4-page spread and front-page coverage in May 2017, where we were the main story of The Big Issue's publication. This too was sponsored publicity. Wherever TRAC is featured, so is your Rhino and therefore, your brand.

**Ready to Sponsor?** Should you be interested in becoming our next Patron of the Arts, please let us know which option would be most beneficial to your brand so that we can get the ball rolling. Our process is very simple and does not take up much time to complete.

**The paperwork:** Once you have committed to Sponsorship, we will provide you with an invoice due for payment. The invoice will be accompanied by a Sponsorship Agreement, which has been compiled by our partners at Bowmans (<http://www.bowmanslaw.com/our-firm/company-profile/>), who offer their services to us on a pro bono basis.

**The fun stuff:** Once the admin side of sponsorship has been taken care of, the fun begins! Your logo will be placed on our website, we will welcome you into our TRAC family via social media and other digital platforms, and then we start the process of getting your Rhino made and painted.
